## LANDSCAPING COMMITTEE

Dear Emerald Forest Neighbors,

It's time again to make your contribution to maintain the community landscaping at the North and South entrances of our neighborhood. We welcome all of the new families that have moved into Emerald Forest. In 2016, we did experience a lack of participation and this does impact the entrances. We did have to cut back on some landscaping this past year so we did not deplete our funds. This will impact the value of your home. We count on everyone's participation and payment in a timely manner.

Thank you

Emerald Forest Landscaping Committee

<b>When are they due?</b>	Return the form below with a check for <b>\$40</b> (Same amount for last 10 years!)
	Make checks payable to: <b>EFLC</b>
	<b>DUE April 1, 2017</b>
<b>Why Should I contribute?</b>	These funds are required to maintain the lighting and landscaping A reduction in dues collected will be a reduction in maintenance
<b>Don't other people take care of this?</b>	We all live in Emerald Forest! Don't leave it to your neighbor. There are 183 homes - In 2007 we had the greatest participation with 51% participation. This should be higher!
<b>What is the money for?</b>	Paying the electric bill for the lights at the entrance Mowing, weeding, edging, and trash removal Pruning of the trees, shrubs & pine straw replenishment
